

# TRINITY CHORALE REHEARSAL - JUNE 2, 2010

## **Let Us Fill the World with Singing** by Jan McGuire

*Let us fill the world with singing, melodies of joy and praise.  
May the songs of our creation echo our Creator's ways.  
Full of God's unfailing mercy, lavish love and constant care,  
lilting voices lifted gladly, wondrous news we have to share.*

*Let us offer to our Savior anthems of the highest choice.  
May we give our best to Jesus gratefully with heart and voice.  
By the grace of our Redeemer, hymns of hope and peace we sing.  
Songs of praise and words of worship, humble gifts to Christ we bring.*

*Through the power of the Spirit let us make a lovely sound.  
May our music please our Maker as our melodies abound.  
Fill us, Spirit, with your presence; sing through us a gracious song.  
Let our love be so contagious, others start to sing along.*

*Three in One, in perfect union, God of sacred harmony,  
May our music bring us closer, till we sing in unity.  
Let our song be so compelling with the message we proclaim,  
all who hear will join our singing as we share your holy name.*

*Fill the world with singing! Fill the world with praise!*
