**BENEATH THE HEALING CROSS - TUESDAY, JANUARY 31, 6:00PM**

"Beneath the Healing Cross" is a Chapel service led by Pastor Les for individuals affected by a life-altering illness. Our simple approach focuses around a covenant of: 1) openness to all of God's healing resources; 2) an awareness that we do not escape death but that until that great healing in heaven, we are to live gratefully through God's sustaining presence; 3) that at times on earth we can experience waves of God's healing; 4) that God does not want us to be isolated by our illness but by our prayerful togetherness God can work miracles; 5) as each person chooses to share, we offer a prayer of blessing and then a prayer for the person's healing.
