What best qualifies you to serve as a Trustee? I love Trinity Baptist Church very much. I was baptized by Buckner Fanning when I was 14 years old. I met my wife at TBC 55 years ago, and was very active in the youth department during my high school years. When we moved back to San Antonio in 1996 we joined TBC again and became very active in the Sunday School and I was ordained

as a Deacon in 2001. As mentioned above, I've been active with different church teams and loving volunteering anywhere that I feel I have gifts that will help add to the Kingdom.
