What best qualifies you to serve as a Trustee? I have been an active church member for 15 years and am well-acquainted with the church culture and community, as

well as with the vision and ministry plans for the church moving forward. I understand many of the challenges the church faces, and look forward to serving the church however I can. While I appreciate the church's history and role in the greater San Antonio community, I am also willing to work for positive change that meets the current needs of the church and community. If elected as a Trustee I will no longer be a member of the Ministry Matching Team.
