“Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these” (Matthew 19:14). The goal of the Children's Ministry is to walk along parents to help children develop their spiritual foundation. As children enter the doors of The Ark we want every child to know they are important to God and also to our Trinity family. These children are not the church of tomorrow, they are the church of today. Their vibrancy and excitement for knowledge, community and spiritual guidance is evident every time they step into The Ark.

Every year we minister to a wide audience of children, families and our community by all of the ministries listed in this newsletter. The Children's Ministry puts time, effort and many prayers into each event to ensure we are doing our best to meet the spiritual needs of each child. We are only able to meet these needs with the help of our entire church family.

Please look at these ministry opportunities and see how you might get involved. There are multiple ways such as donating items, volunteering time, giving scholarships and praying with us. This is a church full of people with gifts and talents, may we use these to further the kingdom of God with our children. We are excited to see how God is going to work as we enter this new chapter of Trinity Baptist Church.
