Preschool Program
Tuesdays & Thursdays

About Us

Parent's Day Out is a part of Trinity Baptist Church's Children's Ministry serving children and their families. We provide a safe and caring, Christ-centered environment for children that ensure learning and the development of social skills in the classroom.

In every classroom, our trained teachers use the Wee Learn curriculum to provide small and large group learning opportunities, hands on activities, socialization and organized play. PDO helps your child develop mentally, socially, and spiritually.
