

PEACOCK PERIODICAL

DID YOU KNOW?
Peacocks are omnivores
and eat plants, bugs,
and even little lizards!

SERVING OUR COMMUNITY

During Vacation Bible School the kids at Trinity Baptist Church raised money to help children and families in our community. I wanted to give you a recap of how we have used the money:

We supplied firefighters serving in Kerrville during the Hill Country floods with socks, neck gaiters, cooling items, handwritten notes, and gift cards for food and coffee.

We bought play pens and lock boxes for Child Protective Services to give to children in their care. We hosted two trainings for Child Protective

Services workers in the children's building and provided lunch, appreciation gifts and prayer notes.

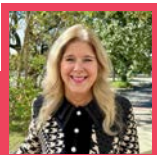

We provided Christmas gifts for five families at the Buckner Hope Center here in San Antonio.

We have received an outpouring of appreciation from the families and organizations we have helped. God has truly moved in our community through the generosity of your donations.

Thank you, Trinity, for always stepping up to care for the children of San Antonio.

DR. DEBBIE POTTER
CHILDREN'S PASTOR

BAPTISM CLASS

Join us on February 8 for a baptism class to discuss the importance of baptism and have a tour of the baptistry. This is a class for kids and parents to attend together. RSVP by contacting Monica.

NEW PLAYGROUND

This month, we have officially broken ground on our new playground. This is so exciting! Thanks to the wonderful members of Trinity who have given so generously to make this possible for our kids. A special shout-out to Pastor Matt Homeyer for his leadership.

Our Parent's Day Out kids got a front-row seat to the BEFORE picture, and we can't wait to see the AFTER!
